EXT. LANGLEY FALLS – CIA HEADQUARTERS – WEAPONS RANGE – DAY

STAN SMITH has the place all to himself to himself. He walks with purpose, frosty and alert. And it's a good thing, because A PAPER CUTOUT OF A TERRORIST POPS UP behind an abandoned vehicle. Stan draws his pistol, SHOOTS the target in the head. ANOTHER TERRORIST CUTOUT POPS UP in the window of a building façade. Stan ROLLS forward, sends TWO SHOTS to its chest. From behind him, A CUTOUT OF A HIPPIE IN A TIE-DYED PEACE SYMBOL T-SHIRT POPS OUT from around the corner of another building. Stan EMPTIES HIS CLIP, shredding the cutout --

Stan CLOCKS us watching him, quickly removes the look of satisfaction from his face --

STAN

(to camera; backpedaling)

He just spooked me, that's all. The sun was in my eyes.

(beat, re-holsters his weapon)

My Fellow Patriots with today's so-called "leaders" forcing their Liberal Agenda upon us, it's more important than ever for us to remember what it means to be a Real American. We don't waste our time with things like *reading or physical exercise*. That's for the fascists and the softies. No, we find something we like and hoard as much of it as we possibly can.

(beat; all smiles)

Which is why I'm pleased to announce that American Dad is coming to Saturdays, starting this fall. More, Real American television, for Real Americans. So unless you want your TV networks taken over by foreigners with funny accents and subversive agendas I suggest you tune in.

(beat: don't even try it)

Yeah, yeah... Australians don't count, so just put a sock in it.

ANNOUNCER / VO

(super-fast; disclaimer style)

The views of Stan Smith are not necessarily the views of this network. Unless you have absolutely no legal education, or you think any of that stuff made sense and are inclined to tune-in. In which case we totally agree. With all of it.

(beat; regular speed)

American Dad, Saturdays this fall. Watch. Or the terrorists win.
