INT. TBS HEADQUARTERS – BREAKROOM - CONTINUOUS

COURTNEY (mid-20's), sits with MARK (early-30's) eat their lunch at a small table, while another EMPLOYEE fitters about in the refrigerator behind them. Both stir bowls of delicious looking SOUP--

COURTNEY
(tastes a spoonful)
Mmmm

MARK
(toldja)
Great, right?

Into the break room comes another co-worker, WALTER (late 40's, overweight). He wears a look of concern on his face, RUBS HIS HAND GENTLY OVER HIS RIBS--

WALTER
Is it possible to cough so hard you break a rib?

Courtney and Mark shoot each other a quick *oh, brother* look--

MARK
Maybe...

COURTNEY
You should have someone take a look.

Walter LIFTS UP HIS SHIRT, to just under his chin, revealing his bare torso. Hairy, flabby and pasty, it would be inappropriate at a Lynard Skynard concert. In the office...

...It's horrifying.

ON: COURTNEY AND MARK – Mark is frozen stiff, his spoon drops from his hand. Courtney's face scrunches up as she begins to cry. Lunch is over--

ON: WALTER –

WALTER

What? You think this is wrong? I'll tell you what's wrong – a cell phone company that charges hidden fees.

(holds up Boost Mobile Device)

That's why I got Boost Mobile. Their \$50 monthly unlimited plan has no hidden fees.
